[FA Briefing IOAA 26Jul2017.pptx](#)

Dear Bob, Chris, Bruce, and Richard,

Attached you will find the slides for the formaldehyde assessment briefing we have scheduled with you on Wednesday, July 26th, 4-6 PM. Barbara Glenn and Andrew Kraft look forward to the opportunity to brief you on this monumental effort. By the end of the briefing, we would like to discuss the timeline and next steps for Agency review.

On a related note, per Appropriations language and Congressional guidance, we have contracted the NAS to peer review this assessment. As a part of that agreement, we have requested that they convene a PUBLIC workshop in which they also gather data on NCEA/IRIS activities to be responsive to the NRC 2011 and 2014 recommendations to improve IRIS assessments. We believe these data will be informative for our responses to OIG, GAO, and Congressional inquiries.

We look forward to meeting with you.

With warm regards,

Tina
